Transforming Women Transforming
Lives

About Us

Jove Conscious Foundation (JCF) is a not-for-profit organization in the country working since 2014, well known in the poor communities, for its commitment to work with marginalized women of the society and empower them to attain dignified quality life. It was registered as an organization in 2014 by group of like-minded people, but initiated by Mr. Sanjay Gupta & Ms. Renu Gupta. With an ultimate goal of women self-reliance, JCF's approach of women empowerment is based on imparting livelihood training and skills.

Mission

- **JCF** has a vast mission to make a change in the society by educating, empowering and enabling those woman who wish to make a positive change in her life. In other words, the mission implies an effort to enable them to be self-sustainable and self-reliant so that she could enjoy a healthy and dignified quality of life.

Vision

- **JCF** has a clear vision to give new meaning to the society wherein each and every women could feel blessed of their existence and could held on their head with pride to be the part of country where the society doesn't have any differences within it; and every women is equal and stand-up on the same platform with self-dignity.

Our Skilling Approach

Students Speak

I am thankful to JCF for giving me a new vision and direction for a successful life. It has been three months in the Dress Designing course and already I feel like I am going to be a master of this profession. My goal is to become an entrepreneur.

I want to become a designer and open my own Boutique because I always wanted to be a self employed person. Thanks to JCF for showing me a gateway that will lead to a prosperous future. I am acquiring all the technical skills and knowledge of the Designing profession, and now I feel more confident than ever before.

I am pursuing Assistant Beautician course from JCF. This course is bringing out the best in me as a beautician and also helping me in becoming a confident professional. My dream is to become a Beautician Instructor and impart my knowledge to others in need.

JCF has given me a new way of life. I am gaining confidence in my technical skills as a Dress Designer as well as an individual. Now I have a clear picture of my ambitions in my mind, I want to become a Professional designer after completing this course.

I will feel very proud the day when I see myself financially independent". I am pursuing E.A course from JCF, which is helping me in acquiring latest technical skills and also boosting my confidence levels. I have planned to get into BPO industry after completing this course.

I am pursuing my EA course from JCF, which is helping me in enhancing my communication skills and confidence level. I am really feeling more confident in speaking to people in Public and this is will help me to perform better at my workplace.

Our Achievers

The Life Got Really Hard And Things Went All Wrong, But No Matter What, This Girl Always Stayed Strong. Married At The Age Of 18 Monika Never Thought Life Would Be A Turmoil For Her. Just 3 Years After Marriage Her Husband Divorced Her, Family Forced Her Into Second Marriage Which Turned Out To Be A Disaster.

Negligence By Family, Domestic Violence And Other Social Evils Dragged Her To A Level Where A Person Just Wants To Let Go Off The Life. But Somewhere Deep Inside Her Heart A Will To Be Self Independent Was Still Alive. All She Needed Was The Right Direction And Here Is Where The JcF Team Came Into The Picture. While Conducting A Survey In Prem Nagar We Came To Meet Monika. Listening To Her Horrific Life Experience She Was Given A Proper Counseling Session, On The Basis Of Which She Enrolled For Assistant Beautician Course.

Today She Is Pursuing Fifth Month Of Her Course And Working As A Part Time Assistant In A Beauty Parlor. Which Helped Her Meet Basic Needs Of Life And Most Importantly She Regained Her Self-Esteem And Self Confidence.

Our Achievers

We All Have Come Across Some Sort Of Problems In Our Lives. But Here At JCF We Believe That Biggest Of All Is “Depriving Someone Of Education”. Sonam Who Belongs To A Small Family In Mundka Village, Father Is Engaged In A Small Scale Business Of Waste Material Processing. Annual Income Of The Family Is Just Not Enough To Fetch Two Meals A Day.

Lack Of Funds Forced Sonam To Quit Studies After High School. At The Age Of 16 She Just Couldn’t Figure Out Where Was Life Going, She Was Afraid That Her Future Will Become A Culmination Of Her Past. While Our Survey Team Was Deployed In Mundka Village She Came To Us And Displayed Her Interest In Becoming A Self Dependent Person So That She Could Support Her Family. After Being Counseled She Opted For Assistant Beautician Course. Just After A Couple Of Weeks We Observed That Her Confidence Levels Started To Escalate.

It Has Been Three Months Today And Her Perception About Life Has Totally Changed. “I Feel That I Have Found Myself , Life Has A Direction And A Destination Of Becoming An Elite Make-Up Artist” Says Sonam With A Smile Of Confidence And Self Belief.

JCF Offers Various Skill Training Program

Our Achievers

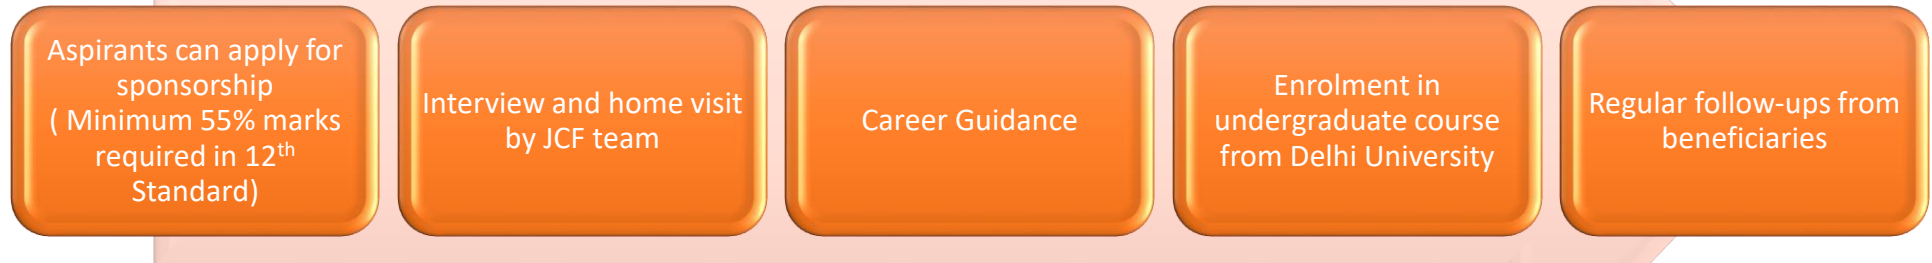

There's a saying "Turn Your Face Towards The Sun And Shadow Will Fall Behind You", Such Is The Case Of This Brave Girl. Coming From A Family Where The Only Earning Hand Is Her Father, Who Is A Driver And Has To Feed Seven Members Of The Family. Grew Up In Poverty, Living In A Single Room And Often Sleeping To "Forget The Misery Of Hunger" Was A Usual Thing.

She Came To Know About JCF Through A Survey That Was Conducted In Her Locality As A Part Of JCF's Regular Activities.

After orientation and personal interactions with experts she decided to enroll for "Self Employed Tailor Program and things started to change from day one. Now It's been four months of training and Sonu has started working as a Freelance Tailor In Her Locality, With An Average Income Of Five Thousand Rupees. "After Two More Months Of Training I Will Be A Fully Self Dependent Girl And Make My Father Proud" Says Sonu, Wiping Her Tears Of Joy.

privileged girls**

Program Flow

School Youth Sensitisation

Benefitted 5000
School going girls

- **Project implementation** in Five Government Girls School located in North –West Delhi

Project Activities-Group Counselling Sessions, Work Shops, Personal Counselling, Motivational Talks, Role Plays, Quiz, Talent Show and Parents meeting.

The School Girls Sensitization Program [SGSP] is basically an Awareness Generation Program targeting the school going girls who fall under the crucial adolescent age group of 14-20 year olds.

The Program is focused on various adolescence age issues that children go through. These grave issues, if not corrected in time, affect their future adversely. Hence, the need of such program arises that work towards the Sensitization of the minds and develop a sense of social responsibility among them so that they can achieve a good Place in life and live with dignity.

Community Awareness Programs

Community Awareness Program is designed to educate slum women for their rights and to develop their capacity to solve problematic situation. We focus over their social skill development through group activities.

Activities like community meetings, door to door survey, Nukkad Natak, Road Shows, awareness camps and community counselling sessions are used to generate legal awareness among community women.
